Lyrics

Στο Γαλατά ψιλή βροχή και στα Τατάβλα μπόρα
Βασίλισσα των κοριτσιών είναι η μαυροφόρα.
Βασίλισσα των κοριτσιών είναι η μαυροφόρα.

Έχε γεια Παναγιά, τα μιλήσαμε,
Όνειρο ήταν τα λησμονήσαμε.

Στο Γαλατά θα πιω κρασί στο Πέρα θα μεθύσω
Και μέσα στο Γεντί Κουλέ κοπέλα θα αγαπήσω.
Και μέσα στο Γεντί Κουλέ κοπέλα θα αγαπήσω.

Έχε γεια Παναγιά, τα μιλήσαμε,
Όνειρο ήταν τα λησμονήσαμε.

Γεντί Κουλέ και Θαραπιά, Τατάβλα και Νιχώρι
Αυτά τα τέσσερα χωριά μορφαίνουνε την Πόλη.
Αυτά τα τέσσερα χωριά μορφαίνουνε την Πόλη.
Έχε γεια Παναγιά, τα μιλήσαμε,
Όνειρο ήταν τα λησμονήσαμε.

At Galata a drizzle, and in Tatavla heavy rain.
The queen of girls is the one dressed in black.
The queen of girls is the one dressed in black.

Farewell to you Madonna, we talked it through,
It was but just a dream, we forgot about it.

At Galata, I will drink wine, At Pera I'll get drunk.
And inside Genti Koule, A girl I will fall in love with.
And inside Genti Koule, A girl I will fall in love with.

Farewell to you Madonna, we talked it through,
It was but just a dream, we forgot about it.

Genti Koule and Tharapia, Tatavla and Nichori
Those four villages make the City beautiful.
Those four villages make the City beautiful.

Farewell to you Madonna, we talked it through,
It was but just a dream, we forgot about it.
